## 3. CHPD Collaboration: Lieutenant Wes Herman

- He's been with PD for over 15 years and oversees IMPACT Team
- We can adjust our requests of the IMPACT Team, such as: no stats, not attending every meeting, providing City wide statistics, just doing Q&A/open dialogue, CHPD feedback on

which areas need the most help (potentially with NIP funds,) updates on what's new and what's available from CHPD, etc.

- demonstrations on what to do : 'When...'
- We can plan the year ahead and have other teams like CSI come.
- We can visit their facility and go through the training scenarios!
- Citrus Heights Safety Day: We'll address dates and details over the next several meetings
  - Senior cyber safety presentation
  - incentivize attendees with free shred
  - breakout rooms to consolidate time and offer more sessions
- IMPACT will try to attend every other REACH meeting and individual NA's will still schedule individual meetings.
  - schedule directly with Lieutenant Wes Herman for the foreseeable future
    - eventually we'll have one dedicated member of the dept. to attend our meetings.
- Wes may be contacted at: [wherman@citrusheights.net](mailto:wherman@citrusheights.net)
