# Community

# Open HOUSE #2

T U E S D A Y  
**May 21, 2019**  
**5:00 - 7:00 PM**

**Sunrise Tech Center**  
(Multi-Purpose Room)  
7322 Sunrise Blvd, Citrus Heights

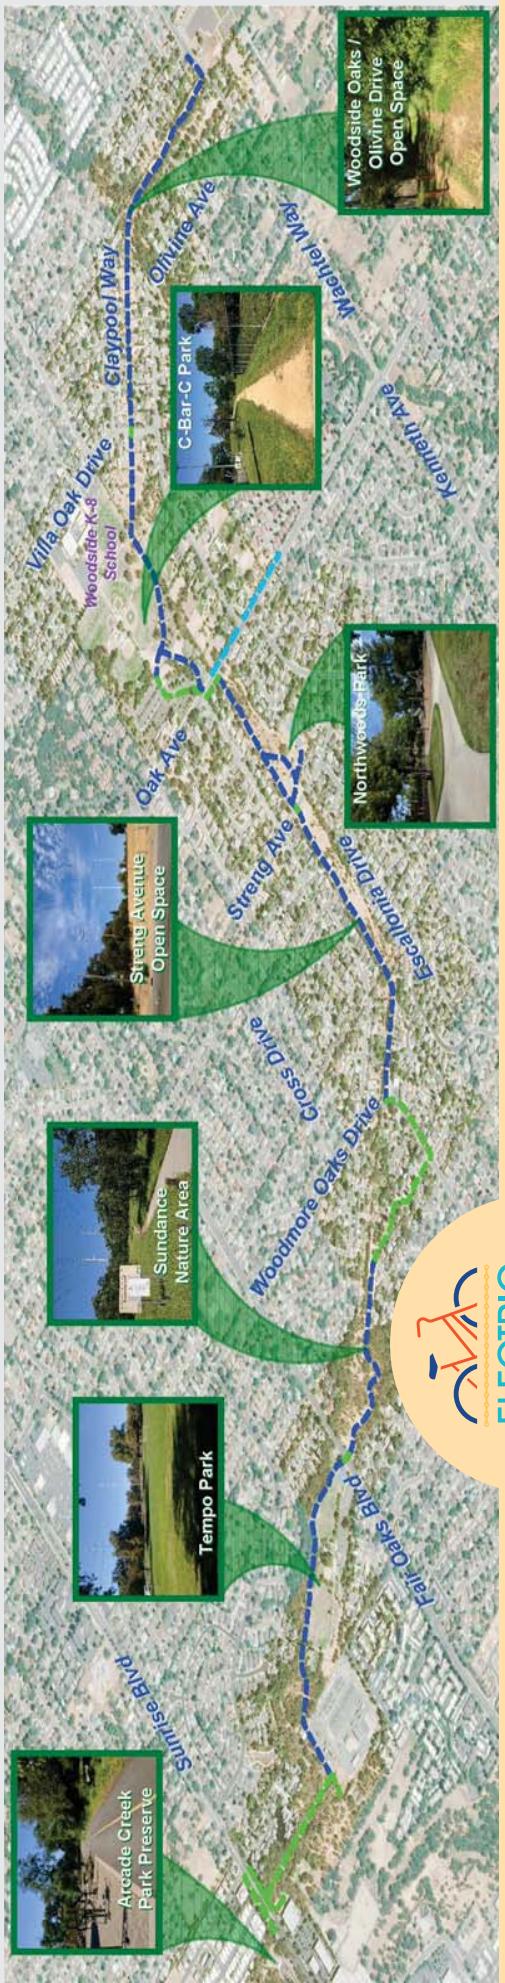

*Drop by anytime to view and discuss project updates, learn about the plans, and provide input on various elements of the project.*

**RSVP:** [electricgreenwayOH2.eventbrite.com](http://electricgreenwayOH2.eventbrite.com)

Join the city of Citrus Heights for the second community open house for the **Citrus Heights Electric Greenway Trail Project**, which is a proposed 2.9 mile multi-use paved trail that largely follows an existing Sacramento Municipal Utility District (SMUD) electric transmission corridor. Also, included as part of this project is the master planning for seven public parks:

- Tempo Community Park
- Sundance Natural Area
- Streng Avenue Open Space
- Northwoods Park
- C-Bar-C Park
- Woodside Oaks Park
- Olivine Drive Open Space Site

The trail will span between Arcade Creek Park Preserve to the west and Wachtel Way to the east. This project will provide connections to several community parks, schools, shopping centers, and neighborhoods along the corridor.

## Community Open House #2

TUESDAY

**May 21, 2019**

# Consulta

# Comunal #2

Únase a la ciudad de Citrus Heights para la segunda casa abierta de la comunidad para el proyecto Citrus Heights Electric Greenway Trail, que es un sendero pavimentado de uso múltiple de unas 2.9 millas propuesto que sigue en gran medida un corredor de transmisión eléctrica existente del Sacramento Municipal Utility District (SMUD). Además, como parte de este proyecto se incluye la planificación maestra de siete parques públicos:

- Tempo Community Park
- Sundance Natural Area
- Streng Avenue Open Space
- Northwoods Park
- C-Bar-C Park
- Woodside Oaks Park
- Olivine Drive Open Space Site

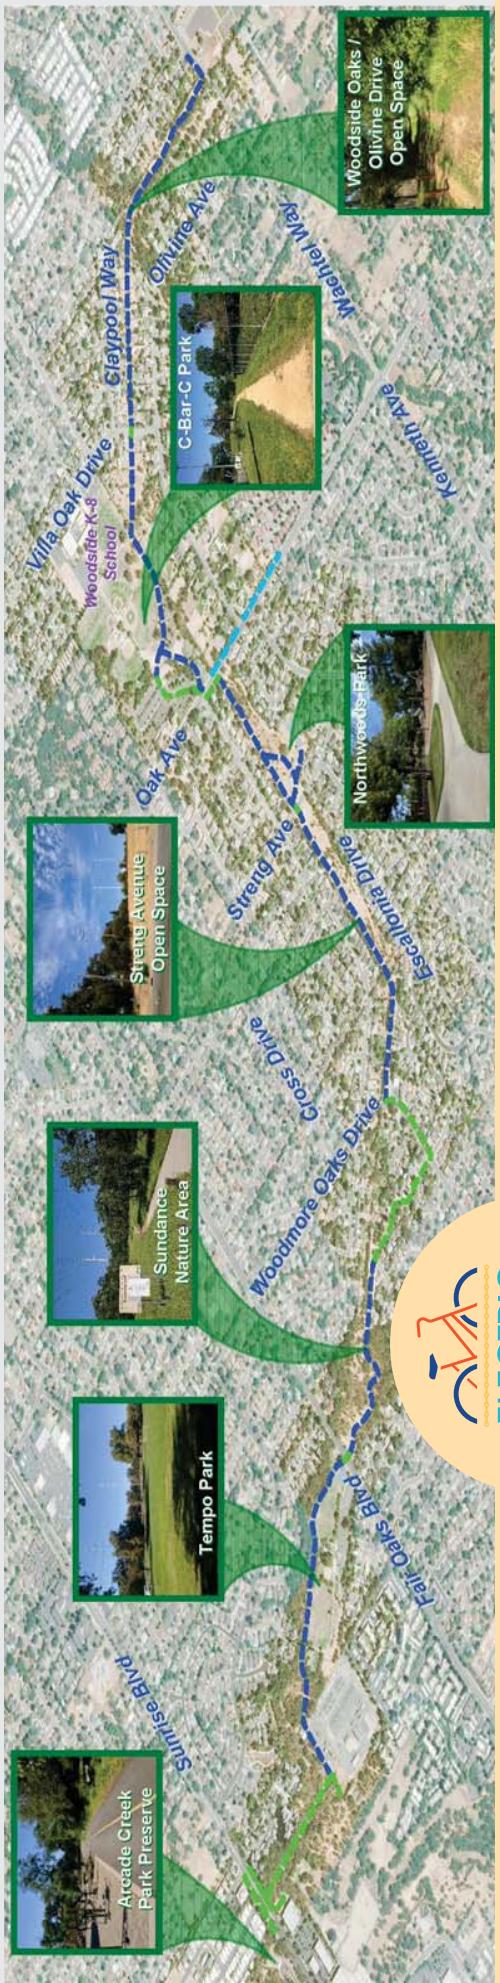

El sendero abarca desde Arcade Creek Park Preserve, hacia el oeste, y Wachtel Way, hacia el este. Este proyecto proveerá conexiones a varios parques comunales, escuelas, centros comerciales y vecindarios localizados a lo largo de la ruta.

# День Открытых

Город Citrus Heights приглашает всех желающих на второй день открытых дверей проекта Citrus Heights Electric Greenway Trail Project. Предполагаемый многофункциональный мощеный пешеходный путь длиной в 2.9 мили, который следует существующему коридору электротрансформации Sacramento Municipal Utility District (SMUD). Частью этого проекта также является проектирование семи общественных парков:

- Tempo Community Park
- Sundance Natural Area
- Streng Avenue Open Space
- Northwoods Park
- C-Bar-C Park
- Woodside Oaks Park
- Olivine Drive Open Space Site

Этот путь будет проходить с западной части Arcade Creek Park Preserve и до восточной части Wachtel Way. Данный проект представляет соединение между различными общественными парками, школами, торговыми центрами и жилыми районами вдоль коридора электропередачи.

### Project Description:

The Electric Greenway Trail Project is a 2.9 mile multi-use trail between Sunrise Boulevard (near Arcata Creek Park Preserve) and Wachell Way (largely following an existing Sacramento Municipal Utility District (SMUD) electric corridor easement). The project is located in the city and unincorporated Orangevale, and connects several neighborhoods to seven parks, several schools and the Sunrise Marketplace. In addition to a paved multi-use trail, this project also includes:

- A new signalized crossing of Fair Oaks Boulevard
- Pathway lighting
- Sidewalk, curb and gutter along a segment of Oak Avenue
- Drainage improvements
- Traffic signal modifications, and
- Landscape

#### CITY NEWS - MONTHLY UPDATE

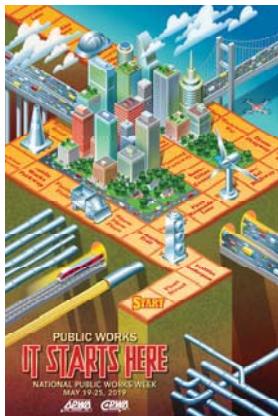

#### Building Safety Month

In May, the City of Citrus Heights joins the International Code Council in celebrating the 39th annual **Building Safety Month**. This year's theme, "No Code. No Confidence" is the international campaign designed to educate communities and raise awareness in building safety. Modern, regularly updated building codes ensure that individuals and communities are safe in the buildings where they live, work, and play — codes build confidence. "As we face disasters on an unprecedented scale, from hurricanes and tornadoes to wildfires and earthquakes, building codes become increasingly important to the safety, health, and wellbeing of our families and communities," said Citrus Heights Chief Building Official Greg Anderson. The building division invites you to visit City Hall for more information. A display in the lobby will provide informational handouts and other items celebrating Building Safety Month throughout the month of May. The weekly themes for 2019 are:

- Week One: Preparing for disasters: Build strong, build smart
- Week Two: Ensuring a safer future through training and education
- Week Three: Securing clean, abundant water for all communities
- Week Four: Construction professionals & homeowners: Partners in safety
- Week Five: Innovations in building safety

For information on building codes and enforcement, contact the city's building division at (916) 727-4760.

#### National Public Works Week May 19-25

The American Public Works Association is proud to announce "**It Starts Here**" as the theme for the 2019 National Public Works Week. This theme represents the many facets that grow out of the efforts put forth by public works professionals across North America. Public works professionals manage water, sewer, public transportation – streets, traffic signals, etc., and refuse removal systems, as well as maintaining public buildings and grounds and landscape. They maintain and improve the systems and services vital to a community's health, safety, and comfort. Join us in recognizing our public works professionals during National Public Works Week.

Tired of sitting in I-80 traffic? Your input is needed. The Placer County Transportation Planning Agency, the Sacramento Area Council of Governments, the Capitol Corridor Joint Powers Authority, and Caltrans have partnered to prepare the Placer-Sacramento Gateway Plan. Your input will help inform the Placer-Sacramento Gateway Plan. The plan area includes the I-80 / Business 80 corridor from Auburn to downtown Sacramento as well as the SR 65 corridor from Lincoln to I-80. The planning effort will look at all modes of travel including car, truck, rail, bus, and walking/bicycling. Take a short questionnaire to help inform the Placer-Sacramento Gateway Plan and improve your travel experience at [www.more80choices.com](http://www.more80choices.com).

## Citrus Heights Police Department Dispatcher of the Year

Each year, the second full week of April is dedicated to the men and women who serve as Public Safety Telecommunicators. On April 6, 2019, the Organization of Public Safety Telecommunicators (OPST) hosted the 22nd annual Dispatcher Awards Banquet to recognize and honor police and fire 9-1-1 dispatchers, call takers, and supervisors for their exemplary performance and contributions to the community. OPST is comprised of call takers, dispatchers, supervisors, and managers from 9-1-1 Public Safety agencies in Placer, El Dorado, Nevada, Sacramento, and Yolo Counties, including state agencies. Each year many CHPD dispatchers are nominated for the annual Dispatcher of the Year Award. This year Dispatcher Scott Kermgard was selected as the CHPD awards recipient. Scott joined the CHPD Communications team shortly after the inception of CHPD in 2006. In department-wide nominations, he was recognized for his consistency, reliability, expertise, professionalism, and compassion. Scott is a consummate professional and has earned this award for his ongoing compassion in representing the dispatch profession.

### Slow for the Cone Zone

Spring road construction is starting after a long rainy season! Pothole repair and new road projects will soon bring orange safety cones to streets and highways. Stay safe and street smart by following these tips!

1. Slow for the Cone Zone.
2. Stay alert and avoid distractions. No phone, no radio.
3. Respect construction signs and flagger's directions.
4. Make space – move over when safe to do so.
5. Be patient and stay calm. Arrive safely.

### Sunrise Mall Farmers Market

Looking for fresh, local, and organic produce? The Sunrise Mall Farmers Market runs every Saturday from 8:00 a.m. to 1:00 p.m. year-round, rain or shine! In addition to produce, you can enjoy various food vendors, live music, crafts, fresh cut flowers, cheese, eggs, honey, and much more! Bring your family, dogs included, to enjoy the beautiful spring weather and see what the market has to offer! The market is located in the mall south parking lot at 6041 Sunrise Mall, Citrus Heights.

[Learn More](#)

### Memorial Day Service

The Citrus Heights post of The American Legion #637 will hold a Memorial Day

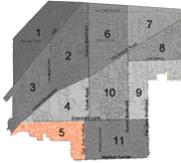

service on Monday, May 27th 10:30 a.m. The service will be held at the Veterans Memorial and gazebo located at the Sylvan Cemetery (7401 Auburn Blvd.). Guest speakers are County Supervisor Sue Frost, Mayor Jeanne Bruins, and Police Chief Ron Lawrence.

#### **Park Oaks Neighborhood Area 5**

The Park Oaks Neighborhood Area (PONA), Area 5 meets on the 3rd Thursday of each month 7:00 p.m. at Advent Lutheran Church (5901 San Juan Ave.). Area 5 boundaries are from Auburn Blvd. to San Juan Ave., between Greenback Lane and Madison Ave. Area 5 focuses on keeping members informed about what is happening in their community and region and ends each meeting with a raffle prize. Guest speakers have included representatives from The Oars Senior Living community , Mayor Jeanne Bruins, and members of the Citrus Heights Police Department. If you have any questions or are interested in joining, email Area 5 President [William Wren-Rodriguez](#).

Citrus Heights Electric Greenway Trail Project to Host Second Community Open House on May 21

*Community invited to provide input on the Citrus Heights Electric Greenway Trail Project*

The City of Citrus Heights, in partnership with the Orangevale Recreation & Park District and the Sunrise Recreation & Park District, will host their second community open house on **Tuesday, May 21, 2019**. The **open house will take place from 5:00 – 7:00 p.m. at the Sunrise Tech Center Multi-Purpose Room located at 7322 Sunrise Boulevard in Citrus Heights**. Community members can drop by anytime during the Open House to view and discuss the project updates, learn about the plans, and provide input on various elements of the project.

Community members are also invited to provide input through a virtual community workshop launching on Tuesday, May 21 at [www.electricgreenway.net](http://www.electricgreenway.net) through June 4.

The City of Citrus Heights is currently in the process of preliminary design and environmental analysis for the Citrus Heights Electric Greenway Trail Project, a 2.9-mile multi-use paved trail that largely follows an existing Sacramento Municipal Utility District (SMUD) electric transmission corridor. The trail will span between Arcade Creek Park Preserve to the west and Wachtel Way to the east. This project will provide connections to several community parks, schools, shopping centers, and neighborhoods along the corridor.

Master planning for seven public parks and open spaces including; Tempo Community Park, Sundance Natural Area, Streng Avenue Open Space, Northwoods Park, C-Bar-C Park, Woodside Oaks Park, and Olivine Drive Open Space Site is part of this planning effort. These parks will be studied for existing and future amenities.

The project builds upon several interrelated efforts including the Creek Corridor Trail Project, Pedestrian and Bikeway Master Plans, and Mitchell Farms Development Project. The project is part of a multi-year city effort to incorporate a system of dedicated paved trails into the larger transportation network.

To learn more about the project, visit [www.citrusheights.net/940/Electric-Greenway](http://www.citrusheights.net/940/Electric-Greenway). Questions about the community open house and/or the project can be directed to [electricgreenway@citrusheights.net](mailto:electricgreenway@citrusheights.net).

Tuesday, May 21, 2019 from 5:00 PM – 7:00 PM

Sunrise Tech Center – Multi Purpose Room  
7322 Sunrise Blvd, Citrus Heights

Join the city of Citrus Heights for the second community open house for the Citrus Heights Electric Greenway Trail Project, which is a proposed 2.9 mile multi-use paved trail that largely follows an existing SMUD electric transmission corridor. Also, included as part of this project is the master planning for 7 public parks: Tempo Community Park, Sundance Natural Area, Strong Avenue Open Space, Northwoods Park, C-Bat-C Park, Woodsid Oaks Park, Olivine Drive Open Space Site.

The trail will span between Arcade Creek Park Preserve to the west and Wachtel Way to the east. This project will provide connections to several community parks, schools, shopping centers, and neighborhoods along the corridor.

Questions? Contact the City of Citrus Heights General Services Department at 916-727-4770.
